**Dear Sponsor,**

**FLDC Booster Club is a 501c3 non profit organization that provides support to First Landing Dance Center Competitive Dance Team. We provide dancers the opportunity to compete in regional and national competitions.**

**First Landing Dance Center has won National Championships the last four years. This success is due to the dedication and hard work of the dancers choreographers, parents, and generous sponsors.**

**I am writing this letter to invite you to be a sponsor for the 2019-2020 competition dance season. Your involvement is an opportunity for your company to receive widespread exposure throughout the community. Additionally, most dance competitions are streamed nationwide.**

**Competitive dance is an expensive and time consuming sport. Unfortunately, not all of our families can afford all aspects of dance. It is our hope to give all the children who want to dance equal opportunity. We ask for sponsorships to help subsidize competition fees, travel expenses, and costumes for dancers who have the talent to compete but may lack some of the funding.**

**We understand that you have several choices when considering charity and marketing options throughout your community, we truly hope you will consider FLDC Booster Club. First Landing Dance Center will work hard to provide positive brand recognition.**

**Thank you,  
FLDC Booster Club**
